Dear Sir/Madam

DECMIL CONSTRUCTION NZ LIMITED (in Liquidation) (the Company)
Company Number 542 2686

1 Introduction and Appointment

Please be advised that I, Dermott Joseph McVeigh, of Avior Consulting Pty Ltd (Perth, Western Australia), was appointed Liquidator of the Company on 15 April 2020 at 3:40pm by a special resolution of the sole shareholder pursuant to section 241(2)(a) of the Companies Act 1993 (**the Act**).

Set out below is the First Report to Creditors on the State of the Affairs of the Company as required by section 255(2)(c)(ii)(A) of the Act.

2 Restrictions

This report has been prepared for the sole purpose of reporting on the state of affairs with respect to the Company and the conduct of the liquidation.

Accordingly, I express no opinion on the reliability, accuracy or completeness of the information provided to me and upon which I have relied.

4 Background

The Company was placed into liquidation due to an unresolved dispute with the New Zealand Department of Corrections in relation to a major contract. The contract was terminated, resulting in significant losses being incurred by the Company. The directors and shareholder concluded that the Company could not continue trading and proceeded to have the Company wound up.

5 Statement of Affairs

A Statement of Affairs showing the Company's estimated financial position as at the date of liquidation is enclosed at **Annexure A**. The statement has been prepared in accordance with section 255 of the Act.

6 List of Creditors

A list of all known creditors has been compiled based on the information available to me and is enclosed at **Annexure B**. For privacy reasons, the addresses of employees have been omitted from the list.

7 Declaration of Independence, Relevant Relationships and Indemnities

Attached as **Annexure C** is a copy of my Declaration of Independence, Relevant Relationships and Indemnities. I have not identified any matters that would prevent me from accepting the appointment as Liquidator of the Company.

8 Proposals for Conducting the Liquidation

I will be attending to the following matters during the course of the liquidation:

- realisation of the Company's assets;
- determination and admittance of creditors' claims;
- investigations into the affairs of the Company and the conduct of the directors;
- consideration of the prospects of recoveries from voidable transactions (if any) and breaches of directors' duties (if any);
- consideration of other actions that may be available for the benefit of creditors;
- pursue recoveries and other actions and litigation for the benefit of creditors;
- prepare reports to creditors and relevant authorities as required.

I will write to creditors again to advise the outcome of my investigations.

9 Trading

The Company ceased trading prior to my appointment.

9.1 Personal Property Securities Act / Reservation of Title

Should any creditor believe they have registered a Purchase Money Security Interest (**PMSI**) on the Personal Property Securities Register (**PPSR**) over any goods, or proceeds from realisation for goods, they should contact my office immediately.

If any creditor believes they have a Reservation of Title over goods and they have not registered their interest on the PPSR, they should also contact my office, as should suppliers of consignment or sale or return stock.

9.2 Contracts / Agreements

As Liquidator, I expressly refrain from personally adopting any of the Company's contracts existing at the date of his appointment. All contracts will be reviewed and I will advise the parties directly about the status of their contracts as soon as practicable.

10 Creditors Meeting

At this stage, it is too early to consider holding a creditors meeting as the information relevant to answering the queries of creditors is still being compiled. Once sufficient information is available and the state of the company's affairs becomes clearer, I will reconsider whether convening a meeting of creditors is appropriate.

Accordingly, under section 245 of the Act, I consider at this stage that no such meeting will be convened. A notice of my decision to dispense with the meeting of creditors is provided at **Annexure D**.

A meeting will not be called unless within 10 working days after receiving this notice, a creditor gives notice in writing to the liquidator requiring a meeting to be called.

In accordance with section 314 of the Act, a creditor or a shareholder may request the Liquidator to call a meeting of creditors or of shareholders at any time during the course of the liquidation:

- a) to vote on a proposal that a Liquidation Committee be appointed to act with the liquidator; and
- b) if it is decided to have a Committee, to choose the members of the Committee.

Any such request must be made in writing.

11 Liquidation Committee

In accordance with section 314 of the Act, a creditor or shareholder may request the Liquidator to call a meeting of creditors or shareholders at any time during the liquidation to

vote on a proposal that a Liquidation Committee be appointed to act with the Liquidator. This request must be in writing.

The Liquidator may decline a request by a creditor or a shareholder to call a meeting on the grounds that:

- a) the request is frivolous or vexatious; or
- b) the request was not made in good faith; or
- c) the costs of calling the meeting would be out of proportion to the value of the Company's assets.

The decision to decline a request may be reviewed by the Court on the application of any creditor or shareholder.

I do not consider a committee to be necessary in relation to this liquidation at this time. I will continue to report to creditors on the conduct of the liquidation as appropriate.

12 Creditors' Claims

Attached as **Annexure E** is a notice to creditors to prove their debts or claims by 15 May 2020.

Also enclosed is a claim form for completion by unsecured creditors.

Should you consider you are a secured creditor of the Company, please contact my office and I will supply to you a secured creditor's valuation and claim form.

Completion of your claim should be given your urgent attention. If creditors do not lodge their claim with the Liquidator, they are not entitled to share in any distribution to creditors that may be made.

13 Estimated Outcome for Creditors and Date of Completion

It is currently too early to estimate a date of completion for the liquidation or the likelihood of a dividend being paid to creditors.

14 Further Information

Should you have any further information that would assist my investigations, you are requested to provide this information to me in writing, attaching any supporting evidence.

Specifically, please provide details on the following issues:

- any demands, writs, judgements or other legal action taken by you against the Company;
- copies of correspondence sent to and received from the Company regarding unpaid accounts; and
- advise when trading first commenced with the Company.

DECMIL CONSTRUCTION NZ LIMITED (in Liquidation) (the Company)
Company Number 542 2686
NZBN 942 904 136 3485

Declaration of Independence, Relevant Relationships and Indemnities

Practitioner/s appointed to an insolvent entity are required to make declarations as to:

- A Their independence generally
- B Relationships, including
 - a) the circumstances of the appointment;
 - b) any relationships with the company and others within the previous 2 years;
 - c) any prior professional services for the company within the previous 2 years;
 - d) that there are no other relationships to declare; and
- C Any indemnities given, or up-front payments made, to the Practitioner.

This declaration is made in respect of myself and Avior Consulting.

A Independence

I, Dermott McVeigh, and Avior Consulting have undertaken a proper assessment of the risks to my independence prior to accepting the appointment as Liquidator of the Company in accordance with the law and applicable professional standards. This assessment identified no real or potential risks to my independence. I am not aware of any reasons that would prevent me from accepting this appointment.

B Declaration of Relationships

(i) Circumstances of Appointment

I was contacted by the Company's director, Mr Scott Criddle, on 25 March 2020 to discuss the Company's position and the prospect of placing the Company into Liquidation. Following that telephone call, I had further telephone calls with Mr Andrew Barclay (in house lawyer for the Company) on 25 & 26 March 2020 to further discuss the prospect of liquidating the Company.

On 26 March 2020, I wrote to Mr Barclay explaining the process of appointing a liquidator, my experience as a liquidator and my firm's hourly rates that would apply if I was appointed liquidator of the Company. In that letter I also identified the minimum funds that the Company should be in possession of at the time of my appointment in order to fund the core aspects of the liquidation.

I had four telephone calls with Mr Barclay and sent 6 e-mails to him between 26 March 2020 and the date of my appointment. Those calls and e-mails related to the prospect of my appointment and did not include any substantive discussion in relation to the Company's position.

I have provided no other information or advice to the Company, the directors and its advisors prior to my appointment beyond that outlined in this DIRRI.

(ii) Relevant Relationships (excluding Professional Services to the Insolvent)

Neither I, nor Avior Consulting, have, or have had within the preceding 24 months, any relationships with the Company, an associate of the Company, a former insolvency practitioner appointed to the Company or any person or entity that has security over the whole or substantially whole of the Company's property.

(iii) Prior Professional Services to the Insolvent

Neither I, nor Avior Consulting, have provided any professional services to the Company in the previous 2 years.

I also confirm that there are no matters within section 280 of the Companies Act 1993 that would preclude me from accepting this appointment as Liquidator.

(iv) No Other Relevant Relationships to Disclose

There are no other known relevant relationships, including personal, business and professional relationships, from the previous 2 years with the Company, an associate of the Company, a former insolvency practitioner appointed to the Company or any person or entity that has security over the whole or substantially whole of the Company's property that should be disclosed.

C Indemnities and up-front payments

I have not been indemnified in relation to the liquidation, other than any indemnities that we may be entitled to under statute and, have not received any up-front payments in respect of our remuneration or disbursements.

Notice of Liquidator's Decision to Dispense with Meeting of Creditors

DECMIL CONSTRUCTION NZ LIMITED (in Liquidation) (the Company)
Company Number 542 2686
NZBN 942 904 136 3485

It is too early at this stage to consider holding a meeting as the information relevant to answering the queries of creditors is still being compiled. Once sufficient information is available and the state of the company's affairs becomes clearer, the Liquidator will reconsider whether convening a meeting of creditors is appropriate.

Having regard to the early stage of the liquidation, the assets and liabilities of the Company, the likely result of the liquidation, the lockdown restrictions caused by COVID-19 and other relevant matters, the Liquidator considers, in accordance with section 245 of the Companies Act 1993, that no creditors' meeting should be held at this juncture.

A meeting will not be called unless within 10 working days after receiving this notice, a creditor gives notice in writing to the Liquidator, requiring a meeting to be called.

In accordance with section 314 of the Companies Act 1993, a creditor or a shareholder may also request that the Liquidator call a meeting of the creditors or of the shareholders at any time during the course of the liquidation to:

- a) vote on a proposal that a Liquidation Committee be appointed to act with the Liquidator; and
- b) If it is decided to have a Committee, to choose the members of the Committee.

Any request for such a meeting must be in writing to the Liquidator on the contact details below:
